Dear Friend,

Wycliffe Bible Translators of Canada invites you to join with us in ***Race to 2025: Peru***, our tenth adventure fundraising event with eternal impact. In partnership with Frontier Lodge, near Nordegg, Alberta, we are hosting this event on the weekends of February 10-12, 2012 and February 17-19, 2012.

We are inviting corporate sponsors to consider gifts of \$1,000, \$2,000, or \$5,000 to make this endeavor a success and to assist our brothers and sisters in Peru. Please find enclosed a summary of ***Race to 2025: Peru***, as well as more information about each level of sponsorship.

The goals of the race are

- To raise awareness of the global Bible translation movement,
- To mobilize a new generation for world missions and
- To raise money to assist national missionaries overseas.

Funds raised through Race to 2025: Peru will

- Assist the translation team of the East Apurimac Quechua as they prepare their newly translated New Testament for publication and dedication, and
- Assist AIDIA (Asociación Interdenominacional para el Desarrollo Integral de Apurímac), a local organization led by Quechua pastors and church leaders, as they promote not only translation of the Scriptures but also literacy.

During the two-day challenge, teams of four compete against each other in adventure sports and in simulated challenges of missionary life. Racers also engage in basic linguistics training and encounter a remote, 'hidden village.' Here, with no bridge language, they grapple with the challenges of culture and language while gathering and analyzing crucial linguistic data from mother tongue speakers.

With support from businesses like yours, we can ensure that participants have an exciting, educational adventure weekend that has an eternal impact. A portion of the funds raised through corporate sponsorships will be used to provide bursaries for young people to help grow their passion for serving in mission careers—either through volunteer Wycliffe vision work trips and/or further linguistics and mission training.

We earnestly invite you to partner with us in our effort to advance the cause of Bible translation and other language-related ministries in the Peruvian church.

Sincerely,

President
Wycliffe Canada
