

Global Graffiti

Description: participants write and draw on a world map

Aim: to focus on the world and options for missions involvement

Audience: grades 1–6, any size group

Time:
20–30 minutes

Equipment: large outline of the world (example provided); photocopied cards; pens, crayons or chalk; pictures of your missionaries; atlas

Scripture to Study:
Psalm 67:1–2

Leader's Instructions:

Pre-class Preparations:

1. Draw a large outline of the world on a piece of paper. It needs to be big enough for all participants to gather around it, but it does not need to be detailed or exact. Use the World Map on page 2 as a guide. (For easy enlargement, photocopy map onto an overhead transparency. Then use an overhead projector to project it on the wall where you've hung your paper. Make it as large as you like!)
2. Photocopy enough cards for every participant to have at least one. Have your atlas or world map available for reference.

Class Time:

1. Give participants a card as they arrive and invite them to write and draw on the map. If there are very young children playing, make sure you give them age-appropriate cards.
2. As they complete their tasks, give them another card. Some of the cards can only be used once, but many can be used repeatedly.
3. After 15–20 minutes, invite participants to sit down. Bring the map up to the front and have volunteers hold it up so that everyone can see it. Use the Discussion and Application section below to highlight the theme of overseas mission.

Discussion and Application:

1. Begin by talking about the map and asking people questions about what they have drawn. Has anyone learned something new?
2. Read Psalm 67:1–2 together and ask, “Why does God bless us?” (The answer is verse 2! We're blessed to be a blessing to others.)
3. Present a challenge to the group in the following way: The game focuses on the world beyond our own front doorstep. God has a plan for the whole world. The game reminds us that God doesn't want us to just stand by and be spectators. He uses His people to fulfill His plans, and wants us to be involved. How involved are you in blessing the world? (See *Projects to Do* in this notebook.)
4. Optional Extras: If weather permits, draw the map in chalk on cement or asphalt outside. If you are part of a church that has sent out overseas workers, include extra cards to highlight where they are and what they are doing. Then pray for them. Kids can pray!
