MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, these financial statements present fairly, in all material respects, the financial position of Wycliffe Bible Translators of Canada Inc. as at September 20, 2013, September 20, 2012, September 21, 2011 and its results of operations and its cash flows for the years ended September 20, 2013 and September 20, 2012 in accordance with Canadian accounting standards for not-for-profit organizations.

WYCLIFFE BIBLE TRANSLATORS OF CANADA INC.

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 20, 2013

Wycliffe Bible Translators of Canada Inc. ("Wycliffe") serves minority language groups worldwide by fostering an understanding of God's Word through Bible translation, while nurturing literacy, education and stronger communities. Wycliffe is incorporated under the Canada Corporations Act as a not-for-profit organization and is a registered charity under the Income Tax Act.

On September 21, 2012, Wycliffe adopted Canadian Accounting Standards for Not-For-Profit Organizations in Part III of The Canadian Institute of Chartered Accountants' ("CICA") Handbook. These are the first financial statements prepared in accordance with not-for-profit standards.

In accordance with the transitional provisions in not-for-profit standards, Wycliffe has adopted the changes retrospectively, subject to certain exemptions allowed under these standards. The transition date is September 21, 2011, and all comparative information provided has been presented by applying not-for-profit standards.

There are no adjustments to net assets as at September 21, 2011 or excess of revenue over expenses for the year ended September 20, 2012 as a result of the transition to not-for-profit standards.

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the CICA Handbook, using the assumption that Wycliffe will continue as a going concern. Significant accounting policies are described below:

FUND ACCOUNTING

The General Operating Fund reports unrestricted general operational, capital and administrative activities.

The Designated Fund reports restricted resources that are to be used for special projects or have restrictions on when funds may be expended.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

REVENUE RECOGNITION

Wycliffe follows the restricted fund method of accounting for contributions.

General donations, which are unrestricted contributions, are recognized as revenue in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted donations are recognized as revenue of the appropriate restricted fund when received or receivable.

CASH AND CASH EQUIVALENTS

Cash consists of cash and short-term investments. Short-term investments are readily convertible into cash and are considered to be cash equivalents.

INVENTORIES

Inventories are recorded at the lower of cost and realizable value as determined by management.

INVESTMENTS

Investments consist of marketable securities and cash held by brokerage houses. These investments are recorded at market value in the statement of financial position. Gains and losses, both realized and unrealized, are recorded in the statement of operations. Certain investments have been segregated as non-current to provide for investment trust agreements.

FOREIGN CURRENCIES

Foreign currency transactions are accounted for using the temporal method whereby monetary items are translated at the rates of exchange prevailing at the statement of financial position date and revenues and expenses are translated at prevailing rates of exchange during the year. The resulting gains or losses are credited or charged to operations.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost. Amortization is recorded as expense in the General Fund on the straight line basis at the following annual rates:

Buildings	3.3%
Office furniture and equipment	10.0%
Media equipment	10.0%
Printing arts equipment	6.7%
Vehicles	20.0%

INVESTMENT TRUST AGREEMENTS

Investment trust agreements require the passage of a stated period of time or the occurrence of a particular event before all or part of the funds may be expended. The principal is not recognized as income until the agreements vest with Wycliffe.

GIFTS IN KIND

Donated ("in-kind") goods which otherwise would be paid for by Wycliffe are recorded at fair market value, when determinable, with the corresponding "in-kind" expense recorded at an equal amount.

CONTRIBUTED SERVICES

Wycliffe receives the benefit of contributed services from numerous individuals in many service delivery capacities. Because of the difficulty in determining the quantum or the value of such services they have not been recognized in the financial statements.

INCOME TAXES

Wycliffe is a not-for-profit organization under the Income Tax Act and is, therefore, not subject to either federal or provincial income taxes.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, and expenses, and disclosures of contingent assets and liabilities. Significant items subject to such estimates and assumptions include amortization of property and equipment and accrual of liabilities. Actual results could differ from estimates.

2. CASH

Cash is on deposit with major financial institutions and is, therefore, not subject to significant credit risk.
